

Requesting payment from your customers —whether new or existing clients —is always a delicate situation. Let our team of experienced collectors work your claims, with the best-available tools the collections industry has to offer. Turbo Debt Recovery yields an 88% liquidity rate on large viable placements. Our compassionate and friendly approach leads to a better outcome for you and your clients.

“A customer-centric focus is important throughout all stages of debt collection. The staff member who speaks directly to the customer becomes the representative of your organization.”

— PricewaterhouseCoopers study on the Impacts of the Collection Industry.

A sample of the industries Turbo serves: **waste industry, supply industry, manufacturing industry, service industry and logistics industry.**

We have a proven track record in commercial and consumer collections. We pride ourselves on our three industry differentiators:

EFFICIENT

- » We collect in 60-90 days what others collect in 12-24 months.
- » Our client portal provides 24-7 real-time access, and you can talk to your representative on the phone.
- » Letters and calls are made within 24 hours of placement.

RESPONSIVE

- » Turbo Debt Recovery is IRS 1075 compliant and practices FDCPA requirements.
- » We understand how to work with a debtor when they're facing personal issues or financial struggles.
- » Turbo Debt Recovery is a zero-complaint company with no sanctions, fines or suits on its record. We hold ourselves to high standards to meet yours.

PROVEN RESULTS

- » Our liquidity rate is as high as 88% on commercial paper, over 180 days past due.
- » We have collected in excess of \$20mm+.
- » If we don't collect, you don't pay.

At Turbo Debt Recovery, our mission is to be the most efficient and transparent debt collection agency while conducting the process in a professional, firm and polite manner. You focus on your clients, while we turn our attention to recovering your balances as quickly as possible. With our custom-tailored recovery process, our team outranks our competition year after year.

Debtors disputing the work done and ultimately refusing to pay? Let Turbo Debt Recovery cut through the runaround and collect your outstanding receivables.
